OUR FOUR YEARS IN B.H.S. HAVE BEEN HAPPY ONES. THE ASSOCIATIONS MADE IN THE CLASS ROOM AND ON THE CAMPUS, THE GOALS ACHIEVED AND THE DEFEATS ENDURED, WILL BECOME INCREASINGLY PRECIOUS AS WE SWING DOWN THE CORRIDORS OF TIME.

THEREFORE WE THE CLASS OF '47 PRESENT OUR EDITION OF "THE ECHOES," HOPING THAT IT WILL AID IN THE PERPETUATION OF OUR HIGH SCHOOL MEMORIES.

H. Herbert Gloss,

— D E D I C A T I O N —

WE THE CLASS OF 1947, WHOLEHEARTEDLY DEDICATE OUR EDITION OF "ECHOES" TO MR. H. HERBERT GLOSS, YEARBOOK FACULTY ADVISOR.

HE HAS GIVEN UNLIMITED ASSISTANCE TO BOTH THE YEARBOOK AND TO BOONTON HIGH SCHOOL. HIS PREVAILING QUALITY OF "BRIGHTENING THINGS UP" HAS ENCOURAGED US IN PUBLISHING A YEARBOOK THE BEST OF WHICH WE ARE CAPABLE. HE HAS PATIENTLY LISTENED TO OUR COMPLAINTS, AND WITH AN UNDERSTANDING WORD AND PERHAPS A BRIGHT WITTICISM HAS INEVITABLY ENLIGHTENED OUR NUMEROUS PROBLEMS. FOR HIS OPTIMISTIC ATTITUDE AND STAUNCH ADVICE WE SINCERELY THANK MR. GLOSS, WITHOUT WHOM, PLANNING OUR YEARBOOK WOULD NOT HAVE MEANT SUCH PLEASANT MEMORIES.

CLARENCE E. BOYER

Mr. Clarence E. Boyer, Supervising Principal, has been our friend for four short years. Yet his guiding hand, his encouragement and advice have left an impression on our lives that will endure for many years to come. His enthusiasm for improving teaching facilities, his effort to develop a greater understanding between teachers and pupil have won for him prestige, prominence, and our esteem and admiration. Through his help we face the future with confidence. We hope that some day we may again meet a splendid personality such as Mr. Boyer.

LESLIE A. E. BOOTH

The job of successfully preparing young America for the future can be accomplished only by a person of the utmost capability and integrity, such as our principal, Mr. L. A. E. Booth. Through his sensible judgment in knowing right from wrong he has set us on the right path toward thoughtful, good citizenship. In order to understand us truly as we are, he has adjusted himself to the life of the high school student, even to the point of adding witticisms to our assembly program. Mr. Booth has never been too busy to help the individual student with his problems. He will always be remembered by each of us personally as someone really "special."

MISS MARY E. PRICE

We may honestly say that this, our last year in high school, has been made more pleasurable and less difficult because of the unending guidance given by our faithful adviser, Miss Price. Her warm heart and friendly smile have made talking with her a pleasure instead of a "dutiful task." With her help we have been able to choose suitable careers which we are sure will be to our advantage in the near future. Our sentiments are shared by all who know her, for through her sound judgment and generous assistance she has made life-long friends of all her high school pupils.

MR. H. HERBERT GLOSS

"A true friend" may well describe our Yearbook Adviser, Mr. H. Herbert Gloss. His ability to make one "feel at ease" has made conferring with him a pleasure. So often we have come to him with a problem concerning our Yearbook and, through his helpful criticism and artistic ability, we have left feeling that "things really aren't so bad after all." His good nature and wonderful sense of humor have made our Yearbook meetings occasions that we are not likely to forget. We are grateful for his help in publishing "Echoes".

JUNIOR CLASS

The Junior Class managed beautifully under the capable direction of Jack Charlton. Bill Coventry was elected Vice President and Jo Ann Williman and Dot Diedrich were Treasurer and Secretary, respectively. The class of '48 again proved its "weight in gold" during the magazine drive and surely no one will ever forget that excellent production "Spring Green". Of course, May would be incomplete without the Junior Prom, at which the Junior Class displayed their true ability. The originality of the Juniors was illustrated by the decorations at the Baccalaureate and Commencement exercises.

SOPHOMORE CLASS

Originality in theme and decorations were contributions which helped make the Sophomore Dance one of the most successful dances of the year. The theme "Winter Wonderland" was so realistically portrayed that all agreed it was a "wonderland." The class was ably assisted by their faculty adviser, Miss Jean Bogdziewicz. Officers of the class are: Joseph Barnish, President; Eleanor Speidel, Vice-President; James Mc Cormick, Treasurer; Elizabeth Zabriskie, Secretary. The enthusiastic response shown by this class in participating in various school projects has won them the respect of B.H.S. students.

VETERANS OF BOONTON HIGH 1946-47

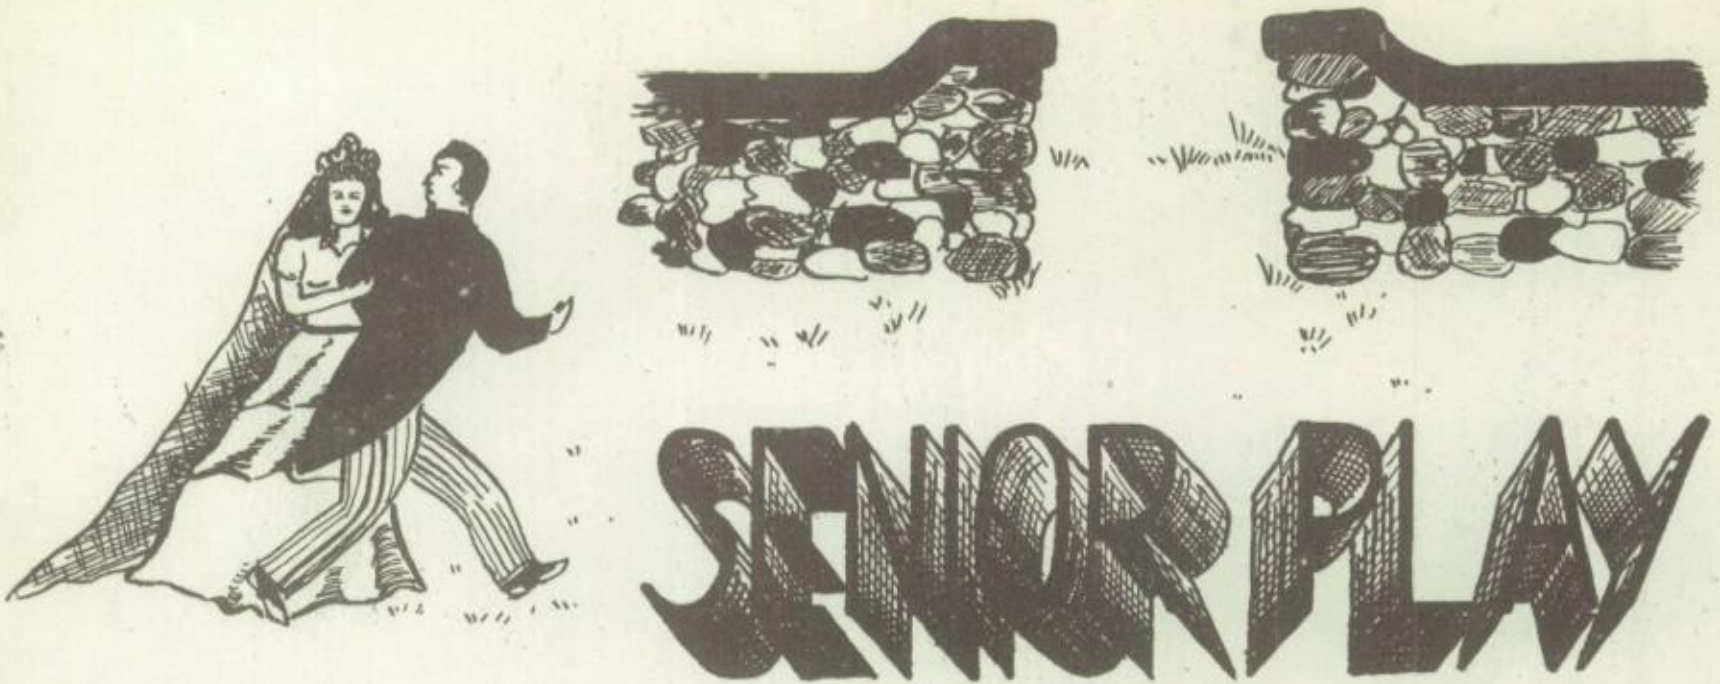

Many of the young men whose educations were interrupted as a result of World War II, have tried to complete their preparation for further education by finishing their high school careers. Their participation, co-operation and sense of humor have added tremendously to the spirit of Boonton High. Truly the return to the academic world has been a "comeback" on the part of the B.H.S. veteran. The faculty and students are proud and appreciative of the veterans—a swell group!

ACTIVITIES

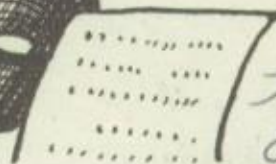

As a final contribution to Boonton High School, the Senior Class presented the production "Smilin' Through." The story revolved about an old man, John Carteret, and how he continually lived in the unhappy past when his wife-to-be was accidentally shot by a spurned lover. The leading roles were portrayed by: Mary Jane Hunt, Duane Barnes and Gordon Van Ness. Supporting players included: Margaret De Koning, Michael Secula, William Stephens, Ada Marie Lonergan, Dorothy Bartmann, Ralph Finson, Mary Petrelli, Ann Paish and Charles Horn. The play was under the direction of Miss Shirley Dunlap. Miss Mirium Errico and Miss Doris Ormezzano were in charge of properties and costumes with Miss Mary E. Price, faculty adviser, supervising the various committees

Memories....Miss Dunlap's jokes and imitations.....the door that opened the wrong way.....Mike's attempts to hurdle the wall.... those missed cues.....Duane's quick third-act change...the way Mary Jane picked up the mental pauses.....the swaying scenery... Duane's miscalculated aim at the bench.....Margaret's dress trouble....the perpetual domino game.

NATIONAL HONOR SOCIETY

Students who excel in scholarship, leadership, character and service might very well consider themselves honored if chosen to become a member of the National Honor Society. The annual functions of the society include a faculty tea given in the fall of each year and a formal banquet in the spring. The President of the club is Joline Kern; Vice-president, Duane Barnes; Secretary, Dorothy Bartmann; and Treasurer, Hilda Sauter. Miss Rose Maraziti is the faculty adviser.

DEBATING SOCIETY

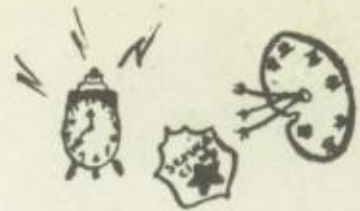

The Debating Club is a valuable asset to B. H. S. The objectives of the club are to improve the poise, diction, and thoughtful argumentation of its members. The members' oratorical abilities were seen in various assemblies and intra-mural debates. Officers of the club are: President, Bettina Spitzer; Vice-President, Francine Cioffe; Secretary, Constance Ryder; Treasurer, Lucette Bowers; S.R.A. Representative, William Stephens. Miss Jane Mullin is the faculty adviser.

STUDENT COUNCIL

The Student Council as the legislative body of the S. R. A., is the central governing body of B.H.S. It further serves as the bank for all extra-curricula activities. The council, which meets twice a month, sponsors a program pertaining to the support of a foster child in Europe and also assists the assembly program committee. Officers of the Council are: President, John Jones; Vice-President, Everett Hughes; Treasurer, Mary Jane Hunt; Corresponding Secretary, Mary Jackman; Recording Secretary, Sis Cordell. Mr. Clyde Caplinger is the faculty adviser.

ART SERVICE CLUB

The Art Service Club is truly a service club as the name implies. During the year the club redecorated the art room, maintained artistic bulletin boards and displays in the corridors. The school show case, homeroom Christmas decorations, and graduation awards and an annual dance, were added activities. The officers are: President, Barbara Morrison; Vice-President, Blanche Tilman; Secretary, Marie Nikas; Treasurer, Louis Bevacqua.

SERVICE CLUB

The Service Club is an organization whose main services are to direct and control hall traffic and to maintain order in the building. Members are elected by a committee of club officers and the faculty adviser and are chosen from the Junior and Senior classes. The officers for this year are: Nancy D'Agostino, President; Martha Van Kouteren, Secretary; Madeline Kranik, Treasurer; Hilda Sauter, Girls' Lieutenant; and Thomas O'Grady, Boys' Lieutenant. Mr. Walter Rutt serves as faculty adviser.

SENIOR USHERS

The atmosphere of all our school plays has been greatly enhanced by the presence and efficiency of our Senior Ushers. The officers for the current year are: Anne Therese Henchy, President; Joan Miller, Vice-President; Doris Richmond, Secretary; and Rose Mary Condon, Treasurer. The play was directed by Mrs. Norma Holland and Miss Clara Ridolfo.

Mrs. Elsie Johnson and her assistants have very capably made the Library one of the most popular spots in the school. The continued care of numerous books plus the routine detail of Library attendance and order are among the duties of the Library assistants. Their efficiency has made the Library a place of study and quiet recreation. Further they have helped us in research and book selection from the extensive well-equipped resources that our Library has.

Under the direction of Mr. Harold H. Warford, the band was reorganized in the autumn of 1945. Color was added to both our football games and in some cases to local parades because of the band's presence. The long hours and untiring effort given by our orchestra members to perfect our school programs are appreciated by the entire student body. The orchestra is conducted by Mr. Harold Warford.

OPERA GUILD

Though the Opera Guild is a new addition to the league of Boonton High's organizations, it is one of the most popular. The President of the club is Joyce Bachman; Vice-president, Timmy Taylor; Secretary, Joan Mason; Treasurer, Marie Nikas. Miss Mary Rose Feagans is the club's adviser.

Cooperation is the key to this large organization's continued success. Each year these feminine songsters present a Christmas Candlelight Service filled with the lovely traditional Christmas music. Several members of this group also hold membership in the Morris County Chorus and the New Jersey All-State Chorus. Miss Feagans has reason to be particularly proud of this organization.

GLEE CLUB

We shall not forget the marked contributions made by the Glee Club in the annual Christmas Concert, Firemen's Home program, Lincoln Park Concert and Spring Festival. The skilful blending of female and masculine voices has made our Glee Club one of the finest musical groups in B.H.S. With their specialized renditions of carefully selected music they have won the high admiration of all high school students. The chorus is under the direction of Miss Mary Rose Feagans.

BOYS' CHORUS

The fine, deep voices of our Boys' Chorus have filled our auditorium many times with long remembered music. Their varied selection of songs, under the capable direction of Miss Mary Rose Feagans, has made this musical organization's repertoire thoroughly enjoyable. Their participation in our Yuletide Program was one of the outstanding features of the season.

FRENCH CLUB

Because of the earnest participation of each member, the French Club has become one of the most interesting and successful in Boonton High. The ultimate purpose of the French language and an appreciation of French culture. Their activities include corresponding with a native French boy, and visiting New York. This year's officers are: President, Patricia Hough; Vice-President, Gloria Gould; Secretary, Sheila Urquhart; Treasurer, June Champion; S. R. A. Representative Claire Benedict. Miss Clara Ridolfo is faculty adviser.

SPANISH CLUB

They provide for all our needs...stenciling, information, bus tickets, even extra pencils! The staff consists of the Misses Dena Bonanni, Virginia Steinert, and Eleanor Yansura.

ATTENDANCE OFFICE

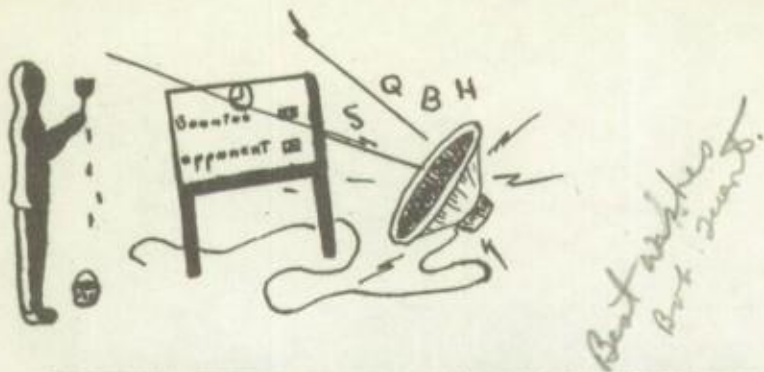

The Attendance Office, under the supervision of Miss Lucy Gross and Miss Sophia Pavidis, has the difficult task of checking each student who is absent from class. Among their other duties are issuing late admittance slips, and alas, taking care of Detention! Student members who render service to the Attendance Office are: Joan Mason, Marion O'Grady, Marie Nikas, Marilyn Stalter, Virginia Riker, and Mary Petrelli.

GUIDANCE OFFICE

Student assistants to the Guidance Office include: Patsy Schaefer, Madeline Kranik, Lorraine Vogel, Marie Parillo, Audrey Kiernan, Mary Frenzel, Grace Fanning, and Lorraine Meyer.

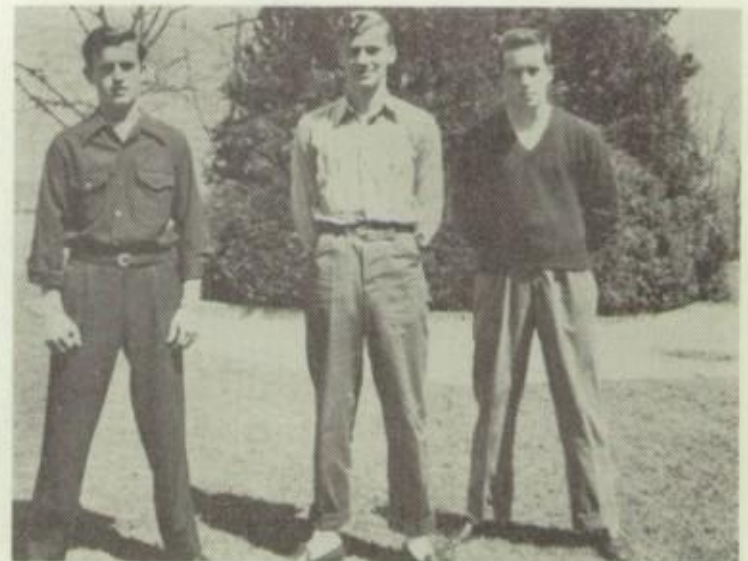

STAGE COMMITTEE

The bang of hammers, the smell of paint.....and whom do you find in the midst of it all? The stage committee, of course! The task of providing suitable scenery for our high school productions, effective lighting and atmosphere, and curtain cues falls upon this committee. Smoothness of technique, perfection of detail spell success to any performance. This, the stage committee contributes. Mr. T. Earl Moran is the committee's adviser.

SCOREBOARD SQUAD

A swish of white gloves and a quick changing of scores best describe the duties of our scoreboard squad. To be a member of this organization one must possess an extensive knowledge of signals plus fast-moving accuracy. Members of this squad are: Lyman Drake, Charles Horn, Bill McCoy, George Wendt, and James McCormick.

Backfield, (L. to R.) Julio Ondani, Tom Intelli, "Sonny" Whiteside, Elmer Simms. Line, Ken Peterson, Jerry O'Neill, John Hopkins (Capt.) Andy Chapman, Frank Thompson, Paul Ludwig, Armand DeVite.

"Sonny" Whiteside, whose 65 and 92-yard touchdown dashes in the Madison game featured his performances, was the scoring ace with 49 points. Julio Ondani followed with 30 and Leo Yansura had 24. Dick Morris, "Ott" DeVite, Harvey Root, Elmer Simms, Ken Peterson, and Len Cullen rounded out the scoring in that order. The Bombers as a team set a new season high for points scored, 162, and in doing so were scored upon by but three teams.

A word of tribute to Ken Peterson, hardy Bomber and whose terrific playing was halted by a badly fractured leg sustained in the Hawthorne fray. Good luck,

Ken! Captain Birdie Hopkins deserves a great deal of credit for being selected "Most Valuable BHS Player of 1946."

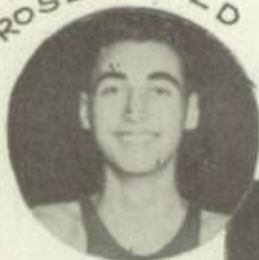

The rest of the team and Coach Shriner should not be slighted, however; all did an outstanding and fine job. Congratulations!

The Bomber basketball squad of 1946-47, under the capable direction of Coach William H. Potter, carved themselves a prominent place in the annals of Boonton High. With a record of 16 wins in 21 games, the BHS basketeers, among other accomplishments, annexed the first championship in the newly-formed Lakeland Conference and reached the Sectional Finals in the NJSIAA tourney play.

Playing the campaign to a successful completion included such highlights as Boonton's hard-fought 28-21 victory over Passaic Valley and Dover's thrilling 41-39 win despite a final period surge by the courageous Red and Black courtsters. Also outstanding was the tall Boontonites' 9 game spree, which was the County's foremost. They tripped Roxbury, Butler, and crushed Mountain Lakes. A "squeaker" was taken from Caldwell, 32-30, on Howie Rosenfeld's last minute basket. Victories over Morristown, Mountain Lakes, and a closely contested 47-40 triumph over Pompton Lakes stretched the string to 7 in a row. A 44-37 revenge win over Dover and a second defeat of Roxbury rounded out the skein. Morristown stopped the streak with a hair-line 44-42 decision in an overtime. Boonton's decisive verdicts over Butler and Pompton Lakes to clinch the Lakeland Conference title also stood out.

The Bombers avenged their defeat at the hands of Passaic Valley with a 52-40 conquest of them in the first round of State Tourney play. Weehawken, the powerhouse of North Jersey, dropped Boonton from State competition with a 63-40 victory.

Howie Rosenfeld led the scorers with a record-breaking total of 320 points. Captain John Hopkins was second with 223 and Duane Barnes had 163. Charlie Cahn, Dick Brennecke, and Paul Ludwig followed in that order. A new season team high of 914 points was established.

BASEBALL

With Coach Shriner at the helm, Boonton High's 1946 diamond forces finished an even-steven season with a record of nine wins, nine losses, and a tie. The Bombers stopped Roxbury and Mountain Lakes twice, Pompton Lakes once, and split with Rockaway, Passaic Valley, and Butler. The Red and Black also dropped two each to Nutley, Dover, and Morristown, but had a win and a tie with Orange. This year, however, expectations are high, as many experienced hands have returned. A strong infield, composed of Caplinger, Genthe, Ondani, and DiBello, backed up by J. Barnish, Merritt, L. DeVite, and Hughes, should fare very well. A veteran outfield is on hand with A. DeVite, Messinger, and McGlone starting, and Bevacqua and Hocker in reserve. Four of last year's chuckers--Vasilian, Dannacher, Kromka, and Barnes--are back. Wesling, Creatura, and Cohn have been added to the staff this year. Behind the plate we find veteran Drake and newcomers Mehalick, G. Barnish, and Lubrano.

Under the guiding hand of Coach Gerald F. Hopkins, Boonton's track team really went to town in 1946. Starting in the Bridgeton "4 State" Relays, the Bombers placed second and third, respectively, in the 2 mile and 1-7/8 mile medley relays. The boys also made a great showing in the County meet, in which they finished second.

In the County Relay Carnival, though Mountain Lakes nosed them out by but 2 points, the Red and Black tracksters set County records for the 2 mile relay (Hopkins, Geary, Ludwig, Deidrich), 8:48 and the 1-7/8 mile medley relay (Hopkins, Whiteside, Alexander, Deidrich), 8:25.

Coach Hopkins' winter track and cross-country charges "ran" up a very decent record in the past season. Dayton Geary pounded the turf for third place in the County and seventh place in the State cross-country meets. Jack Charlton finished ninth in the latter also. On the boards, a one mile relay team composed of Waradzyn, Geary, Prentice, and Charlton placed second in the indoor Group II State meet.

The prospects for the Spring season are very good, with a veteran team returning, and should bring Boonton its finest track record ever. The milers are Paul Ludwig and Dayton Geary; half-milers--Birdie Hopkins, Jack Charlton, Jim Berger, Hiram Guedalia; quarter-milers--Leo Yansura, Tom Intelli, John Stefanic; sprinters--Sonny Whiteside, the team's leading scorer last year, and Lester Prentice. In the hurdles we have: Richard Waradzyn, Howie Rosenfeld, and Sonny Whiteside. The field events men are: John Jones, Bob Dolowitz, Elmer Simms, Bob Secula, Paul Ludwig, Vince Schiavino, and Sam Conca.

GIRLS SPORTS

VOLLEYBALL

Each fall finds the B. H. S. girls enthusiastically playing volleyball. Although the game was not practiced after school, it was played during the gym periods and was enjoyed by all. The volleyball classes were coached under the able direction of Miss Muriel Fecher.

ARCHERY

The archery team, reorganized by Miss Muriel Fecher, participates in the annual archery tournament held in May. The object of archery is not only to hit the "bull's-eye," but to develop steady nerves and to judge distance and position correctly. Much fun was had by the girls during their regular meetings and on the trip to Verona this year.

BASKETBALL

The favorite sport among the B. H. S. girls is the ever-popular basketball. Since the gymnasium in Boonton High School is used daily by the boys, the girls use the gym at the John Hill School. Basketball practice was held on Tuesday afternoons with Miss Muriel Fecher in charge. The aim of the basketball team was not only to learn the rules and regulations of the game, but to develop better sportmanship among the players.
